Guest Lecture on the Importance Of Ozone Gas In Environment

Name of the Activity :

Guest lecture -: *Importance of Ozone gas in environment*

Resource Person : Dr. Sharda M. Ghatol

Aims and objective of the activity

- 1) To stress the importance of Ozone layer in environment.
- 2) To provide knowledge about ozone layer.
- 3) To involve students in environmental Conservation activity

Detail Report

While teaching it is very important to provide knowledge about the environment. Ozone layer plays very important role in the preservation of the environment. Ozone layer protects us from ultra violet rays. Therefore the Department of Geography organized a program to celebrate ozone Day. Dr. Ghatol explained the role of ozone gas in environment and human life. She explained the reasons of decreasing ozone layer due to **CFC and green house gases** by giving some examples. In her speech, Dr. Ghatol explained the need of the use of ecofriendly equipments such as refrigerator air conditioners etc. She also stressed the need of more and more tree plantation to save Ozone layers in the environment.

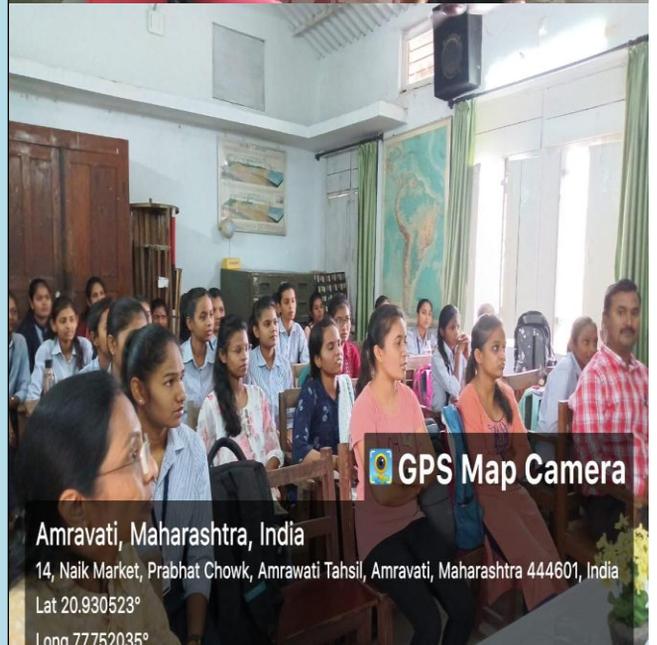

Number of participants

50

Outcome of the activity

- 1) Students got information about the importance of ozone gas in environment.
- 2) Students decided to use only ecofriendly electric equipment's.
