ACTIVITY REPORT

7.1.11 Institution celebrates / organizes national and international commemorative days, events and festivals

Department: **Home –economics**

Date: **13.09.2022**

Type of Activity: **Nutrition Week**

Name of the Activity: Lecture on 'Youth Diet and Health'

Objectives of the Activity:

- * To promote the consumption of healthy food amongst the youth
- * To create awareness amongst the students regarding the importance on diet and regular exercise to maintain physical and mental health
- * To spread awareness about the care to be taken by home-makers to provide balanced diet to the family.

Number of participants/ beneficiaries:
74

Outcome:

- * The activity helped the students to create health and nutritional awareness in the institute.
- * The activity offered an opportunity to the students to get information on healthy foods to be incorporated in daily life.
- * The activity was successful to instill awareness about the required amount of nutrients in daily diet.
- * The lecture was a guide to the diet and exercise management, risks and illness etc.

Details of the Activity:

Department of Home-economics organized a lecture for celebrating "National Nutrition Week". A lecture was organized on the opening ceremony of nutrition week on 'Youth – Diet and Health'. Dr. Madhuri Nawale, Consultant Hemato Oncologist, Amravati, delivered a lecture and provided important facts regarding the information on balance diet, stress free environment creation, habit formation and regular exercise for the youthful life. She also had interaction with students and answered many question raised by the students on health issues.

On the occasion, Dr. Shalini Pande, Program Officer, NSS, MMV, Amravati also stressed the importance leading a healthy life.

The program was successfully hosted by the Study Circle, Department of Home Economics, Mahila Mahavidyalaya, Amravati.

Type of Activity: **Experiential Learning**

Name of the Activity: Nutritional Beauty Pageant Contest.

Objectives of the Activity:

- * To provide opportunity to learn through entertainment
- * To create nutritional awareness amongst the students and staff
- * To raise health awareness
- * To inspire students to explore their creativity and talent

Number of participants/ beneficiaries:

68

Outcome:

- * The event was a means to create nutritional awareness.
- * The activity offered an opportunity to the students to explore their creativity.
- * The contest was able to instill confidence and reduce stage fear in the students
- * The activity was able to raise health awareness and learn to maintain BMI for healthy life.

Details of the Activity:

Department of Home-economics organized an event namely 'Nutritional Beauty Pageant Contest'. It was activity open for all the streams. Students actively participated in the activity and made the event very entertaining as well as educative. Students adorned jewelry made from pulses, legumes, seeds, nuts, fruits, vegetables etc. in a very creative and attractive manner. The grading parameters were BMI, anthropometric assessment, creativity and nutritional knowledge. Students paraded and answered the questions.

The panelists judged the participants and declared first three prizes. The winners were crowned (crown made from eatable leaves and fruits). The event was successfully hosted by the postgraduate students under the guidance of the faculty of the department.
