**Green Practice Policy**

Nootan Vidarbha Shikshan Mandal's Mahila Mahavidyalaya, Amravati has been continuously working in the field of tree plantation, environment protection and water conservation with great loyalty for the last fifty years. The institution has taken initiative to prevent all sorts of pollution and improve the environmental issues in various ways. The Institution is engaged in many projects recommended by NSS Department of Sant Gadge Baba Amravati University, Amravati, Municipal Corporation, Amravati and many social organizations collaboratively. The institution has framed green practice policy with great faithfulness having the following statement, theme and aims.

**Statement:** 'Minimize Environmental Pollution and Boost Tree Plantation'.

**Theme:** 'My earth, My Responsibility'.

**Aims:**

- ✚ Commitment to sustainability, Environment Protection and Conservation.
- ✚ Prevention of the deprivation of biodiversity and Ecosystem services.
- ✚ Provision of environmental Education with students' participation in related activities.

## **Thrust Areas of the institution:**

### **1. Tree plantation:**

In collaboration with many organizations and NSS unit, Tree Plantation activity is continuously executed under which 1000 saplings have been distributed among the students and teachers. Tree plantation has been done outside the areas of the institution. Beautification and maintenance of the garden have been done genuinely with the participation of students near the Heritage building named as ' Ghanta Ghar', the pride of Amravati. Landscaping and conservation of the trees have been done sincerely from the environment protection point of view.

### **2. Rain water Harvesting:**

As per the theme of Green Practice, the institution has done rainwater harvesting arrangements under the guidance of the head of the Institution with the approval of the governing body.

### **3. Plastic Ban:**

According to the environmental drive of the Governments, the Institution has restricted the use of plastic strictly on the college campus.

### **4. Solid Waste Management:**

The institute runs solid waste management project on its own level as well as with the help of Municipal Corporation of Amravati.

### **5. Sewage and drainage system (Liquid waste arrangement):**

The Institution has a sewage and drainage system which is certified by the authority of Municipal Corporation of Amravati.

### **6. Energy Conservation:**

- ❖ Placement of LED lights.
- ❖ Sensor based Taps.

The above provisions are made to conserve energy as national responsibility and duty.

## **7. Water Pots for Birds:**

Under the theme 'Quench the thirst – Awaken Humanity', water pots for birds are arranged everywhere on the inner and outer side of the Institution.

## **Activities implemented:**

- ❖ Seed Ball Project
- ❖ Tree Plantation Drive
- ❖ Essay Competition on environment and water.
- ❖ Poster Exhibition on environmental protection and conservation.
- ❖ Guest lectures.
- ❖ Cleanliness Drive on the eve of Mahatma Gandhi and Lal Bahadur Shastri birth anniversary.
- ❖ Excursion Tour / Field Visit.
- ❖ Environment Projects as per the Sant Gadge Baba Amravati University, Amravati syllabus.

## **9 Limitations:**

As the Institution, Mahila Mahavidyalaya, Amravati is situated in the heart of the city; there is a scarcity of space. Therefore, the Institution runs seedball and tree plantation projects in other areas of the governing institution NVSM, Amravati as well as other institutions.

## **10. Transparency Expenditures and Audit:**

- The institution executes various projects pertaining to environment protection and the expenses incurred are managed by the head of the

institution with the approval of the governing body in the College Development Committee (CDC) meetings.

- Audit is done through renowned chartered accountants.

### **11 Future Plans:**

- ❖ Solar Energy Project.
- ❖ Disaster Management Course and activities for the students.
- ❖ Green Audit.
- ❖ One thousand tree plantation every year.
- ❖ Seed Ball Project.
- ❖ Memorandum of understanding (MoU) with renowned, recognized organizations.
