Slow And Advance Learners

Name of the Activity:

Summarized Report of Slow and Advanced Learners

On the basis of percentage obtained by the students in 12th standard. A groups of slow learners (45% and below) and advanced learners (60% and above) was formed. Progress assessment of the students belonging to slow learners group was conducted on the basis of marks obtained by them in final year. Extra study materials was provided to this group in regular timetable of the college. Apart from this various following activities were held by the department of Economics to increase the progress rate of the slow learners.

Categorization of slow and advanced learners was conducted programmewise rather than course wise as the university has provided various courses to design curriculum.
