

Examination Report

2023-24

The college Examination Committee was formed by the Hon. Principal in the academic session 2023-24. The committee worked under the guidance of hon. Principal and decided to conduct four Examinations including two Exploratory Tests and two Terminal Examinations for the session. The college Examination Committee has one coordinator, one Secretary and the in charge professors related to the particular classes. The in charge professors take regular feedback from the faculties and submit their report to the coordinator. The coordinator gives whole information to the Principal and the Principal gives all the necessary suggestions and instructions to the teachers whenever needed.

The College Examination Committee prepares a circular and the schedule for yearly examinations under the guidance of the Principal. These examinations conducted by the committee help students to prepare better for the University examinations.
