

**MAHILA MAHVIDYALAYA, AMRAVATI NEW STUDENTS ORIENTATION  
PROGRAM (NSOP)**

**Introduction:**

It is generally assumed that human beings perceive and understand the world through senses, that epistemic connection with the world via transmission of information of Information from the world through those senses into a mind. The newly admitted students are no exceptions for this notation. The institute conducts the Student Induction Program in the college from last many years by the name “New student orientation program” (NSOP). In this organization the newly admitted students are made aware off the programs in which they have entered, the future avenues, different projects to be carried out for them.

**Aim:**

1. To introduce the program and the courses, various facilities, projects available in the institutions.
2. To make the students acquainted with the new environment.

**Functioning/ Execution:**

IQAC arrange NSOP for newly admitted students where the planning is done by IQAC and supervised by the Hon. Head of the institutions.

**Outcome:**

1. Overall information about institutions.
2. Acquaintance with new environment.
3. Knowledge about various student support and development activities.
4. Information about various opportunities and career-oriented courses which are beneficial for their future.
5. Information about POs, and Cos to students.
