Name of the Activity: The Role of Languages in Artificial Intelligence

Aim and Objectives:

- ✓ To understand the role of Languages in artificial intelligence
- ✓ To understand what is artificial intelligence

Report of the activity:

Today's age is the age of artificial intelligence. Artificial Intelligence is a technology that is transforming every walk of life. Therefore students need to acquire more knowledge about artificial intelligence. Students should also know the role of languages in artificial intelligence. Keeping this in mind the department of English in collaboration with the departments of Marathi and Sanskrit organised a program on the role of languages in artificial intelligence. Head of the department of English Mr. J. N. Parate presided over the function while Prof.Ashwini D.Pimpalkar was present on the dais.

The chief guest for the function was Dr.Prem D.Ambhore, head of the department of Information Technology,Govt.College of Engineering,Amravati.Dr.Ambhore gave detailed information about artificial intelligence to the students. He also threw light at length on the different roles of languages to be played in artificial intelligence. In his presidential speech,

Mr. J. N. Parate appealed to the students to enhance their knowledge of languages by working hard so that they should be able to do something great in the field of artificial intelligence. The program was conducted by Ku.Shravani Nichal (BA 1) and a vote of thanks was proposed by Ku Khushi Gawai (BA 1).Prof.Ashwini Pimpalkar,Prof.Yogita R.Onkar,Prof.Vaishnavi A.Wagh, Dr. Pallavi Ambhore & Marathi department Proffessor worked hard to make the program successful.

Number of Students Participated : -75 Student

Outcome:

- ✓ Students got information about artificial intelligence.
- ✓ Students understood the role of languages in artificial intelligence.
- ✓ Students understood the role of Sanskrit language in artificial intelligence.

Student Centric Methods

2023-2024

Experiential learning

Experiential learning is a learner-centric method in which students learn through experience. In the teaching-learning process, the Department of Sanskrit used this method to enhance the learning experience of students. This methodology enables an opportunity to the students to engage practically by applying the theoretical knowledge intellectually. Department of Sanskrit employed following experiential learning methods in this academic session.
