### Summary of Slow and Advanced Learners

Groups of slow learners (45% and below) and advanced learners (60% and above) was selected on the basis of percentage secured by their 12th standard. Academic progress of the students belonging to slow learners' group was assessed on the basis of marks scored by them in final year examination. Extra study materials were provided to this group. Apart from this, various following activities were conducted by the department of History to increase the academic progress of the slow and advanced learners. Slow and advance learners were categorized as per the program by students.
