ACTIVITY REPORT

2.3.1 Student centric methods- Experiential learning used for enhancing learning experiences (20)

Department: **Home –economics**

Date: **21.09.2016**

Type of Activity: **Essay Competition**

Name of the Activity: 'Relation between Nutrition, Health and Beauty'

Objectives of the Activity:

- * To promote consumption of healthy and nutritious food.
- * To create awareness amongst the students regarding the nutritional aspect of food with relation to health and beauty
- * To inspire students to explore their creativity and writing skill, test their subject knowledge and critical thinking

Number of participants/ beneficiaries:
16

Outcome:

- * The activity helped the students to create nutritional awareness in the institute through displaying their essays
- * The activity offered an opportunity to the students to explore their creativity, knowledge application skills, content screening, and depth of the subject.
- * The activity was successful to instill awareness about the relation between diet, health and beauty.

Details of the Activity:

Department of Home-economics organized an essay competition for the postgraduate and undergraduate students of Home-economics department. The subject for the essay was in accordance with the content of the syllabus. Students were asked to write an essay on '**Relation between Nutrition, Health and Beauty**'. Students analyzed the relation between diet, health and beauty viz healthy skin, hair, nails, vitality etc. They also wrote about the care that needs to be taken.

Students participated voluntarily in the competition. They read their essays and three panelists judged the participants and declared three prizes were declared for the best essays and prizes were distributed accordingly.

The whole activity was managed by postgraduate students under the guidance of the faculty of the Department.

Department: **Home –economics**

Date: **21.09.2016**

Type of Activity: **Experiential Learning**

Name of the Activity: Nutritional Beauty Pageant Contest.

Objectives of the Activity:

- * To provide opportunity to learn through entertainment
- * To create nutritional awareness amongst the students and staff
- * To raise health awareness
- * To inspire students to explore their creativity and talent

Number of participants/ beneficiaries:
27

Outcome:

- * The event was a means to create nutritional awareness.
- * The activity offered an opportunity to the students to explore their creativity.
- * The contest was able to instill confidence and reduce stage fear in the students
- * The activity was able to raise health awareness and learn to maintain BMI for healthy life.

Details of the Activity:

Department of Home-economics organized an event namely 'Nutritional Beauty Pageant Contest'. It was activity open for all the streams. Students actively participated in the activity and made the event very entertaining as well as educative. Students adorned jewelry made from pulses, legumes, seeds, nuts, fruits, vegetables etc. in a very creative and attractive manner. The grading parameters were BMI, anthropometric assessment, creativity and nutritional knowledge. Students paraded and answered the questions.

The panelists judged the participants and declared first three prizes. The winners were crowned (crown made from eatable leaves and fruits). The event was successfully hosted by the postgraduate students under the guidance of the faculty of the department.

Department: **Home –economics**

Date: **21.09.2016**

Type of Activity: **Nutrition Week**

Name of the Activity: Lecture on 'Obesity and Balance Diet'

Objectives of the Activity:

- * To promote consumption of healthy food to counter obesity
- * To create awareness amongst the students regarding the importance on diet and regular exercise in overweight management
- * To provide information on the obese related risks and illness.

**Number of participants/ beneficiaries:
78**

Outcome:

- * The activity helped the students to create health and nutritional awareness in the institute
- * The activity offered an opportunity to the students to get information on healthy foods to be incorporated in daily life
- * The activity was successful to instill awareness about the required amount of nutrients in daily diet
- * The lecture was a guide to the obesity facts, diet and exercise management, risks and illness etc.

Details of the Activity:

Department of Home-economics organized a lecture series for celebrating “National Nutrition Week”. The first lecture in the series was on ‘**Obesity and Balance Diet**’. Dr. Sangita Kadu, a well-known Physician in Amravati, delivered the lecture and provided important facts on diet, and exercise for obesity management, risks involved in obesity and future illness caused due to prolonged obesity.

On the occasion, Dr. Avinash Mohril and the invited guests released a folder on “**Anemia**” prepared by the student. This folder was distributed to the anemic group in the institute and community. The folders were prepared by post-graduate student of the department

ACTIVITY REPORT

2.3.1 Student centric methods- Experiential learning used for enhancing learning experiences (20)

Department: **Home –economics**

Date: **21.09.2016**

Type of Activity: **Experiential Learning**

Name of the Activity: Lecture on 'Countering Anemia'

Objectives of the Activity:

- * To promote consumption of healthy food to counter anemic condition.
- * To create awareness amongst the students regarding the importance of diet and hygiene in anemia.
- * To provide information on the anemia related risks and illness.

Number of participants/ beneficiaries:
69

Outcome:

- * The activity helped the students to create health and nutritional awareness in the institute
- * The activity offered an opportunity to the students to get information on healthy foods to be incorporated in daily life
- * The activity was successful to instill awareness about the required amount of nutrients in daily diet
- * The lecture was a guide to the anemia facts, diet and hygiene management, causes and symptoms of anemia etc.

Details of the Activity:

Department of Home-economics organized a lecture series for celebrating "National Nutrition Week". The second lecture in the series was on '**Obesity and Balance Diet**'. Prof. Patharkar, Head, Department of Home-economics, Bhartiya Mahavidyalaya, Amravati, delivered the lecture and provided important facts on diet, and hygiene for anemia management, causes and symptoms and risks involved due to prolonged anemia.

On the occasion, Dr. Avinash Mohril, Principal, Mahila Mahavidyalaya, also congratulated the faculty and students on the success of the program.

The event was organized by the study circle, Department of Home Economics efficiently. Large number of students were present for the lecture.

2.3.1 Student centric methods- Experiential learning used for enhancing learning experiences (20)

Department: **Home –economics**

Date: **22.09.2016**

Type of Activity: **Experiential Learning**

Name of the Activity: Lecture on 'Naturopathy Diet'

Objectives of the Activity:

- * To promote consumption of healthy food beneficial to adolescents
- * To create awareness amongst the students regarding the importance of naturopathy diet and its importance in various stages of life cycle
- * To provide information on the naturopathy diet in various illness commonly seen in Indians

Number of participants/ beneficiaries: 59

Outcome:

- * The activity helped the students to create health and nutritional awareness.
- * The activity offered an opportunity to the students to get information on naturopathy diet and daily exercise.
- * The activity was successful to instill awareness about the required amount of nutrients in daily diet
- * The lecture was a guide to the naturopathy diet to boost immunity.

Details of the Activity:

Department of Home-economics organized a lecture series for celebrating "National Nutrition Week". The Third lecture in the series was on '**Naturopathy Diet**'. Dr. Roma Bajaj, a well known naturopathy consultant in Amravati, delivered the lecture and provided important facts on naturopathy diet, and exercise.

On the occasion, Prof. Arti Deshpande, Retired Head, Department of Home Economics, Mahila Mahavidyalaya, Presided the program. She also stressed on the importance of balance diet and provided tips to the students to maintain good health. The program was successfully hosted by the Study Circle, Department of Home Economics, Mahila Mahavidyalaya, Amravati.
