2.3.1 Student centric methods- Experiential learning used for enhancing learning experiences (20)

Department: **Home –economics**

Date: **23.09.2016**

Type of Activity: **Nutrition Week**

Name of the Activity: Lecture on 'Feeding Smart Right from Start'

Objectives of the Activity:

- * To promote consumption of healthy food for the period of adolescence.
- * To create awareness amongst the students regarding the importance on diet and regular exercise to maintain physical and mental health
- * To spread awareness about the diet and hygiene in menstruation.

**Number of participants/ beneficiaries:
62**

Outcome:

- * The activity helped the students to create health and nutritional awareness in the institute
- * The activity offered an opportunity to the students to get information on healthy foods to be incorporated in daily life
- * The activity was successful to instill awareness about the required amount of nutrients in daily diet
- * The lecture was a guide to the diet and exercise management, risks and illness etc.

Details of the Activity:

Department of Home-economics organized a lecture series for celebrating "National Nutrition Week". The fourth lecture in the series was on 'Feeding Smart Right from Start'. Dr. Pusate, Amravati, delivered the lecture and provided important facts on balance diet, stress free environment creation and regular exercise for the adolescents.

On the occasion, Mrs. Sanjivani Purohit, Teacher, Nootan Kanya School, Amravati also stressed the importance of diet and hygiene in menstruation.

The program was successfully hosted by the Study Circle, Department of Home Economics, Mahila Mahavidyalaya, Amravati.

ACTIVITY REPORT

2.3.1 Student centric methods- Experiential learning used for enhancing learning experiences (20)

Department: **Home –economics**

Date: **04.09.2017**

Type of Activity: **Essay Competition**

Name of the Activity: 'Role of Women in the Diet Needs of all Age-group'

Objectives of the Activity:

- * To promote consumption of healthy food in each life cycle
- * To create awareness amongst the students regarding the nutritional aspect of various ingredients used for making balanced diet for each life cycle
- * To inspire students to explore their creativity and writing skill, test their subject knowledge and critical thinking

Number of participants/ beneficiaries:
30

Outcome:

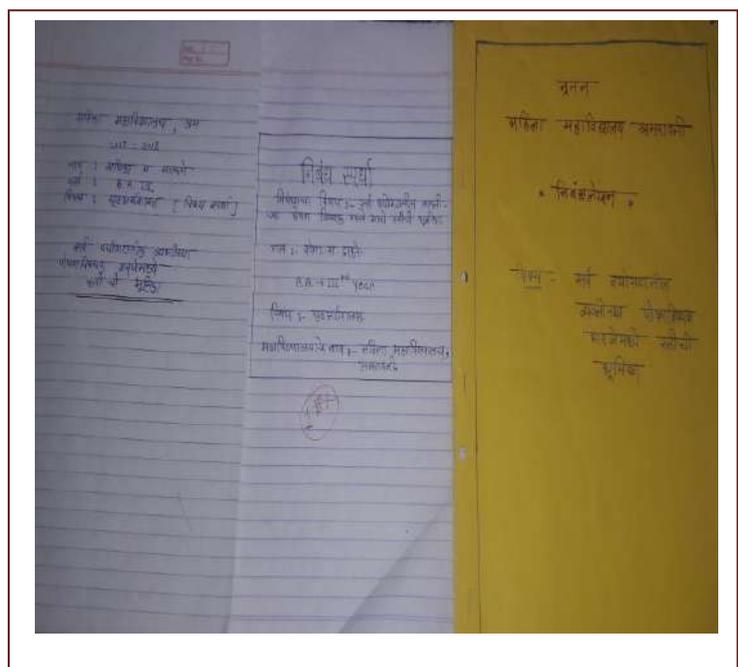

- * The activity helped the students to create nutritional awareness in the institute through displaying their essays
- * The activity offered an opportunity to the students to explore their creativity, knowledge application skills, content screening, and depth of the subject.
- * The activity was successful to instill awareness about the diet in each life cycle
- * While emphasizing on the nutritional needs in each life-cycle, the essays provided interesting use of local food ingredients in diet.

Details of the Activity:

Department of Home-economics organized an essay competition for the postgraduate and undergraduate students of Home-economics department. The subject for the essay was in accordance with the theme of the National Nutrition Week. Students were asked to write an essay on '**Role of Women in the Diet Needs of all Age-group**'. Students analyzed the problem of each life cycle pertaining to health and nutritional needs. They also wrote about the care that needs to be taken in each life cycle.

Students participated voluntarily in the competition. Three panelists judged the participants and declared three prizes were declared for the best essays and prizes were distributed accordingly.

The whole activity was managed by postgraduate students under the guidance of the faculty of the Department.

Department: **Home –economics**

Date: **08.09.2017**

Type of Activity: **Experiential Learning**

Name of the Activity: Nutritional Beauty Pageant Contest.

Objectives of the Activity:

- * To provide opportunity to learn through entertainment
- * To create nutritional awareness amongst the students and staff
- * To raise health awareness
- * To inspire students to explore their creativity and talent

Number of participants/ beneficiaries:
27

Outcome:

- * The event was a means to create nutritional awareness.
- * The activity offered an opportunity to the students to explore their creativity.
- * The contest was able to instill confidence and reduce stage fear in the students
- * The activity was able to raise health awareness and learn to maintain BMI for healthy life.

Details of the Activity:

Department of Home-economics organized an event namely 'Nutritional Beauty Pageant Contest'. It was activity open for all the streams. Students actively participated in the activity and made the event very entertaining as well as educative. Students adorned jewelry made from pulses, legumes, seeds, nuts, fruits, vegetables etc. in a very creative and attractive manner. The grading parameters were BMI, anthropometric assessment, creativity and nutritional knowledge. Students paraded and answered the questions.

The panelists judged the participants and declared first three prizes. The winners were crowned (crown made from eatable leaves and fruits). The event was successfully hosted by the postgraduate students under the guidance of the faculty of the department.

2.3.1 Student centric methods- Experiential learning used for enhancing learning experiences (20)

Department: **Home –economics**

Date: **08.09.2017**

Type of Activity: **Experiential Learning**

Name of the Activity: Identifying Spices and condiments.

Objectives of the Activity:

- * To create nutritional awareness amongst the students
- * To disseminate information on various spices used in our diet in all regions of the country
- * To promote the use of combination of spices in our diet for enhanced taste and medicinal quality

Number of participants/ beneficiaries:
82

Outcome:

- * The activity helped create nutritional awareness and the significance of the use of varied spices in our daily diet.
- * Through the activity nutritional and medicinal values of the spices was displayed which was informative and educative for the participants.
- * Students organizing the program also learned the event management techniques

Details of the activity:

Department of Home-economics organized spices and condiments identifying contest on the occasion of Nutrition Week Program. The competition was free for all the students and staff of the college. Various spices such as pepper, fenugreek, cloves, cumin, nutmeg, mace, poppy seeds etc. were displayed for the contest. The participants were asked to identify the spices by examining it. Three participants who identified utmost number of spices were declared winner of the competition and prizes were awarded.

Students and staff both participated in the event zealously. Head of the Department along with the faculties of the department guided the students organize the activity.
